

Niagara Escarpment Wine Tour

Experience Niagara's Escarpment with a Vineyard Lunch!

Your winery tour of the Niagara Escarpment travels along a scenic country road. Your guide will point out wineries and local history in the area as well. Niagara is a big agricultural area so you will see many farms and horticulture along the way as you tour and taste and one winery, then lunch at another with visits to two others for tastings. One of the wineries is located in a small village where you will have a chance to do a bit of shopping for those unique gifts.

Lunch will be served at one of the wineries mentioned above where you will be offered a complimentary glass of Niagara wine with your meal. Tour Guides will be a you so if you have questions they will be available throughout the tour to add to your fun Niagara Experience.
