

# Niagara on the Lake Winery Tour

## Capture the Unique Essence of Niagara on the Lake!

Niagara on the Lake was the first capital of Canada. It has become one of Canada's premier destination not only as the prettiest little town but as international award winning wines. Your will have a guide on board your bus that is very familiar with the wine industry so along with the tour of a winery and the visits to three others you will become an expert in the viniculture industry.

As a part of your tour a scrumptious lunch will be provided. Along with your entree, a glass of Niagara wine will also be included with your meal. Don't Miss a chance to visit this pretty little town to possibly pick up that gift home to take home or just to stroll the street with an ice cream cone.
