Tuscaloosa Ordinance

- Requires face coverings until August 5, 2020
  - Ages 8+
  - Ages 2-8 is parental discretion

UA Requirements

- Testing of all employees and students before semester begins
- Requires face coverings

UA Football Planning

- 3 Plans
  - 100% Stadium Capacity
  - 50 % Stadium Capacity
  - 20% Stadium Capacity
- Eliminated Cooling Stations
- Prohibit tailgating
- Possible season delay

Impacts to City of Tuscaloosa

- Financial Losses
- Possible stress on surrounding community/neighborhood as UA disallows tailgating
- Current staffing for Police and Fire is already low due to COVID – will shrink Police presence within the stadium

Impacts to City of Tuscaloosa (continued)

- Heat exhaustion/ heat stroke and medical concerns due to elimination of cooling stations and face covering requirements
- Local trauma center is nearing capacity due to COVID- increased stress to healthcare system due to gameday incident
- Increased likelihood of community spread due to influx of nationwide fan base
