The IMLA Local Government Salary Survey Report (DIGITAL PDF ONLY – NO HARD COPIES) is the result of a data intensive project where IMLA asked local government lawyers to fill out an online survey regarding local government attorney salaries. We received over 300 responses from local government attorneys, and this Report, released March 2019, includes approximately 75 pages of data and analysis. If you took the survey and we used your complete responses, you should have received a link to the Report already. The cost is \$199 for IMLA members who did not take the survey and \$499 for nonmembers who did not take the survey.**
