For each 60 minutes in attendance/online participation, the attendee will receive 1 CLE credit hour. Instructions will be provided regarding CLE, IMLA CLE attendance codes, and submitting certificate of attendance forms for CLE credit.

- 7. We noticed that recordings will be sent to member registrants at the conclusion of the conference – does that mean that CLE credit can/will be issued after the conference if the member registrant isn't able to watch the session live?**

IMLA will file CLE credits with the state bar for those credits earned while participating in the live webinar within 2-3 weeks after the live event.

- 8. Since the recordings will be sent to the member registrants, does that allow for additional CLE opportunities due to being able to watch additional workshops that a member wouldn't have normally been able to attend due to having to pick only one per time slot?**

Yes, if your state can receive CLE credits for On-Demand/recordings. Participants will have until August 31, 2021 to claim credits for IMLA's 2020 Virtual Annual Conference recordings (all credits must be submitted at one time), 1 report for recordings.
