

July 27-31, 2020

# Virtual University Cities Summit

Please note the program is tentative and subject to change

Date	TIME	TITLE	DESCRIPTION	SPEAKER(S)
7/27/2020	3:15PM to 4:45PM Eastern Time	COVID-19 Issues for University Cities	This panel will discuss how to address unique issues related to COVID-19 in a University City, such as students returning to school in the fall from all over the country, creating possible virus surges and efforts by cities to mitigate against public health risks versus students not returning and the reduced revenue associated with that scenario. The discussion will include an overview of your authority, including authority over a university, a review of mask policies and how to enforce them particularly with regard to college students who may have large parties, and also ways you can address financial short-falls due to COVID with your university.	Mary Ann Powell, John Dorman & Norma Houston  <b>Moderator:</b> Jeff Dana
7/27/2020	5:00PM to 6:00PM Eastern Time	Networking Reception	Grab a drink and network with your colleagues from around the country via zoom.	
7/28/2020	3:45PM to 4:45PM Eastern Time	Transit Issues for University Cities	This presentation will discuss how transit systems will evolve in the next few years and how those changes will impact universities / university cities. The presentation will also provide a review of how seven cities interact with their universities with regard to transportation issues and what issues they may have.	Chris Connolly & Scott Bogren
7/29/2020	12:00PM to 1:00PM Eastern Time	Networking Lunch	Network with your colleagues from around the country via zoom.	
7/29/2020	1:15PM to 2:45PM Eastern Time	Community Responses to Homelessness	A discussion of Homeless issues and the unique challenges presented in a University environment. The presentation will include a discussion of current caselaw, potential legislation that communities can enact and community problem solving approaches.	Tony Condotti & Tom Carr
7/30/2020	3:15PM to 4:45PM Eastern Time	Game Day 2.0 in the Age of COVID-19	University Cities have always faced unique challenges due to "Game Day" issues. This session will discuss those challenges and some of the legal issues associated with Game Day, and in particular, new and magnified challenges due to COVID-19 concerns.	Kathryn Walker, Jim Brewer, Glenda Webb & Gavin Midgley <b>Moderator:</b> Kathryn Walker
7/31/2020	3:45PM to 4:45PM Eastern Time	Policing In University Cities	There is a growing backlash against police around the country, and university cities are no exception. Student unions are calling for their universities to cut ties with local police departments. This presentation will explore issues related to policing in University Cities under the current anti-police climate.	Eleanor M. Dilkes & Eugene Ramirez <b>Moderator:</b> John Dorman
7/31/2020	5:00PM to 6:00PM Eastern Time	Networking Reception	This reception will offer an opportunity to talk about the issue of policing in university cities in an informal environment with your colleagues from around the country and with the presenters from the prior session. Grab a drink and network with your colleagues via Zoom.
