McMinnville City Services
Inventory Form

The City Services Inventory is a component of the core services evaluation being undertaken as a deliverable from the MacTown 2032 Strategic Objectives.

Services are the deliverable provided to the community or to internal staff, not the tasks necessary to accomplish the services. Support Services are transacted by City staff for City staff to enable service delivery.

Name of Service (e.g., Install street signage, fire fighting, teach swimming, loan books, treat sewer, etc.) Emphasis on verb.	**Currently Being Provided?** Y/N	**Consumer of the Service** (e.g., Drivers, pilots, pickle ball players, bicyclists, retirees, City staff, etc.)	**Support Service** **Y/N**	**Score from Core Services Calculator**	**Ranking Based on Core Services Calculator**
